Address: **Lake Rabun, Lakemont**
Price: **20.00 \$**

Custom Built Electric Boat For Sale: "Whisper Jet"

Whisper Jet is a total electric custom-built boat patterned after the Budsin Electric boat classic "Lightning Bug" model. Powered by two batteries, top speed is 6 MPH with 4 people. Totally quiet, cruising is a breeze. "Whisper Jet" won best custom boat at the 2009 Georgetown Boat Show.

A retired engineer custom built the boat from the keel up. Made out of mahogany and teak, the boat has to be seen to believe. Similar "Lightning Bug" models are back-ordered for over a year and cost \$25,000-\$35,000, depending on options. This is a fantastic boat, quiet and classy. One cruise and you'll be the talk of your lake.

- Batteries are brand new and quick charge
- Custom wine glass holders are perfectly designed
- Lights for night cruising
- Custom canopy takes 5 minutes to detach for sunny cruising or transport
- Trailer included
- Always safe and guaranteed for our boat
